

# FaxLess

Send and receive Fax, effortless

You do not need a fax machine anymore.

The FaxLess service, is cost efficient and eco-friendly, since no paper or ink, are needed. This service, provides you access to a portal, where you can log in with your username and password.

The FaxLess is linked with your fax number, associated to a dedicated email, from which you can send and receive faxes through the portal.

You can manage all your faxes tasks, from here. The service requires a telephone number that will be used exclusively as Fax.

**Your company can benefit the FaxLess service for only €9.00 + V.A.T. per month and a Set Up fee as once off, €35.00 + V.A.T.**
